

Tips For Cleaning And Maintaining Grill Baskets

Adhere to the washing instructions prescribed by the manufacturer.

Rinse the basket well before placing it in the dishwasher.

Soak the basket in soapy water for 15 minutes to loosen any stuck food.

Place the basket on the top rack and run the dishwasher on a normal cycle.

Utilize hot water to clean the grill basket if you hand wash it thoroughly.

Avoid using steel scouring pads to clean brushed stainless steel baskets.

Utilize nylon scrubbing pads to clean a non-stick basket to prevent abrasions.

Store the basket indoors when not in use to prevent rusting.
