

WAYS TO CLEAN AND STORE

Martini Glasses

Soak the martini glasses in warm soapy water to remove tough stains.

Use a soft silicone brush to remove sticky residue from the martini glasses.

Air dry the glasses by hanging them upside down to avoid dust and odor buildup.

Wipe the glasses with a cloth dipped in vinegar to make them look less cloudy.

Wipe the martini glasses with a microfiber cloth to keep lint and friction marks at bay.

Avoid washing the glass with scented liquids or detergents, as they can leave an odor.
