

Steps To Clean Camping Dinnerware

Step 01

Scrape and discard any food residue from the soiled utensils.

Step 02

Take two plastic tubs or pop-up camping sinks.

Step 03

Fill one of the tubs/sinks with hot water to use as a wash bin.

Step 04

Add biodegradable soap to the water and stir the lather.

Step 05

Put the utensils into the wash bin and clean them with a scrubber.

Step 06

Fill the other tub/sink with cold water.

Step 07

Rinse the washed utensils to remove the soapy residue.

Step 08

Use a towel to thoroughly dry the utensils before packing them.
