

Ways To Encourage Teens To Read Books

Pick themes and genres that cater to your teen's interests and tastes

Prioritize humorous and fantasy-themed books to spark interest and engagement.

Prioritize series-based books to maintain the teen's reading momentum.

Understand your teen's reading motivations and support them accordingly.

Engage in joint reading sessions with your teenager for a shared experience.

Periodically read out short stories or articles to reinforce your teen's reading habit.

Encourage your teen to join reading circles for increased social influence.

Motivate them to participate in competitions found on book publishers' websites.
