

## Tips To Follow to Ensure You Buy Well-Fitting Socks

The socks should be loose enough to ensure there is room for your toes to move.

1

2

The fabric's weave should not be too light and taut.

Select the socks per the activity you choose to perform with them.

3

4

Look for a confirmation of cotton and synthetic fabrics for comfort and breathability.

Go for a smooth fabric to keep the skin from getting irritated.

5

6

Ensure the socks length complements the footwear you plan to pair it with.
