

Tips

For A

Dust-free Handheld

Game Console

Wash your hands before using the consoles to keep them tidy.

Regularly dust the consoles to prevent dust accumulation.

Enclose the consoles in a cover when they are not in use.

Wipe the consoles with antibacterial wipes to keep them germ-free.

Remove any stains or marks by wiping them with a cloth dipped in soapy water.

Use a blunt toothpick or a cotton swab to clean the grooves.

Thoroughly air dry the console after cleaning to prevent malfunctions.
