

Tips To Prevent Moths From Infesting Closets And Pantry

For The Pantry Closet

Store open foods in air-tight jars

Wipe-clean pantry shelves thoroughly from time to time

Clean the jars with 1:1 water and vinegar solution

Let the jars air- and sun-dry before refilling them

For The Clothes Closet

Store only clean and dry clothes in the closet

Ventilate the closet to prevent mustiness

Vacuum-pack seasonal clothes

Vacuum-clean closets monthly
