

## Is She Getting Jealous with Your Tricks or Are You Overdoing It?

### Signs to know its working

She tries to get your attention by doing silly things

She pretends to talk with other guys in front of you

She randomly dresses up for simple events and asks for your compliments

She starts to be clingy and wants to be around you all the time

### Signs you may be overdoing

She has become distant and does not care what you do

She has been crying and constantly feeling low

She has expressed that she is hurt

She no longer calls you by your nickname or says, "I love you"
