

# 8 Clever Tips To Maintain

# DISHWASHING GLOVES

## Usage and cleaning

Use mild hand soap  
and hot water to  
wash them

Wear glove liners beneath  
your dishwashing gloves to  
keep them dry

## Drying

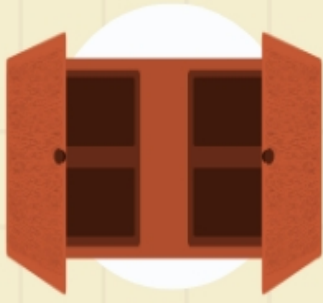

Do not dry them in  
direct sunlight

Hang them to dry

## Storing

Store them in a cool,  
dry place

Use a mesh bag to prevent your  
gloves from getting tangled

Keep all your gloves in  
place by storing them in  
a container

Do not keep them in  
an airtight container
