

# Making Your Boyfriend Feel Loved – Tips To Get You Started

Pay attention to what he likes. You may take notes of the things or places he talks about a lot.

Don't hold back from going out of your comfort zone and making a few sacrifices.

Take his friends' help to prepare the surprise or the gift, so there isn't too much pressure.

Don't act awkward around him or give hints, as it can ruin his romantic feeling of being pampered by his partner.

Don't try to go overboard but focus on simple things to keep it intimate.

Try not to always focus on doing something romantic but try something funny too once in a while.
