

Tips For Selecting

The Perfect Pair Of

*Dress Shoes*

For Women

Opt a black or a beige pair as they can match any outfit easily.

Choose nude or neutral color heels if wearing sparkling dresses.

Be mindful of the occasion for which you are wearing the shoes.

Look for boots or toe-covered shoes for winter and open-toe designs for summer.

Prefer comfortable shoes with adequate support for daily wear.

Make sure the material and sole of the shoes are durable.

Ensure the shoes have good arch support for comfortable walking.

Prefer the ones with rubber soles or anti-skid sole designs.
