

# Tips To Choose

## Toys For 8, 9, And 10-Year-Old Boys

Look for challenging toys that can help exercise brain functions and abilities.

Opt for toys that encourage active play, such as a basketball set.

Make sure the toys are of durable and high-quality materials for rough use.

Look for safe toys that do not require constant parental supervision while playing.

Keep your boy's interest and preference in mind.

Ensure the toys have no sharp edges or parts that can cause injury.
