

Steps Involved In Grooming Eyebrows

At Home

Step 1

Outline the brows to your desired shape using an eyebrow pencil.

Step 2

Remove the hair outside the outline using an eyebrow trimmer.

Step 3

Remove the remaining fine unwanted hair using an eyebrow razor.

Step 4

Brush the eyebrow hair upwards using a spoolie.

Step 5

Trim the extra long hair using eyebrow scissors.

Step 6

Apply an aftershave gel on the brow area to soothe the skin.

Step 7

Dust the eyebrow trimmer using a small brush before storing it.
