

# Tips To Follow When Using A Lightweight Stroller

Use the stroller for one child at a time.

Lock the wheels when placing the baby in the stroller.

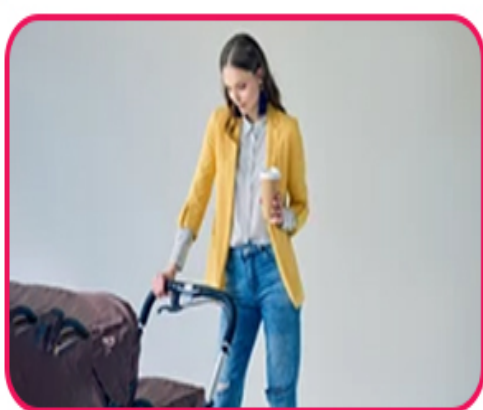

Adhere to the weight limit prescribed for the storage basket to ensure stability.

Do not use the canopy or handle to hold purses and shopping bags.

Adhere to the weight limit prescribed for the parent tray to prevent tip-overs.

Avoid holding hot beverages in the parent tray to prevent burns.

Do not allow older toddlers to use the stroller as a toy.

Do not use the stroller on escalators.
