

Tips For Wearing A Coral Lipstick

Consider orange-based coral lipsticks if you have a warm skin undertone.

Use pink or peach-based coral shades if you have a cool skin undertone.

Wear redder coral shades if you have cool skin undertones and dark skin.

Choose a matte coral lipstick for a more dramatic look.

Apply glossy peach-based coral lipstick for a minimalist look.

Complement the coral hue with black eyeliner and mascara for a bold statement.

Opt for a sheer layer of bronze eyeshadow and highlighter for a subtle, glamorous look.

Go for a monochromatic coral-themed makeup look for a warm, rosy look.
