

# EASY TIPS TO WRITE *A Shape Poem* FOR CHILDREN

Think of a topic

Write down all the words you can think of about the topic

String the words together

Arrange them in the shape of the topic

## Examples:

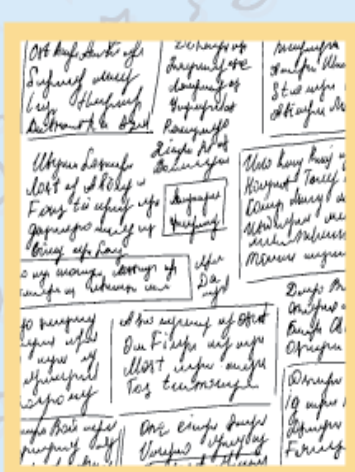

### Circle:

I am a cute circle  
My name is Roundy  
I am never straight  
My outline is always bendy

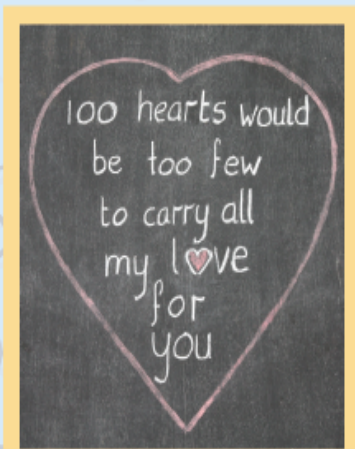

### Square:

I am a square  
You can find me everywhere  
All my sides are the same  
Squatty is my name!

### Heart:

A heart am I  
Full of love  
Draw me with a point  
on the bottom  
And two humps above

### Star:

Star, star up in the sky  
Look up and see me twinkling  
Merry and happy you see me  
High, high up, always blinking
