# A CHAIR MAT

Read the care instructions provided by the manufacturer.

Use a damp cloth to wipe off the loose dust and debris.

Use mild soap and water to clean the chair mat periodically.

Use a soft brush to remove stubborn stains off the chair mat.

Avoid rolling them often to prevent their shape and form from distorting.

Air dry the chair mat thoroughly to prevent mold buildup.

Avoid direct exposure to sunlight to prevent the chair mat from fading.

Keep the chair mat away from moisture as far as possible.
