

# Tips To Organize Your Laptop Bag

Use insert organizers if your laptop needs more compartments.

Use a small pouch to store essentials like keys, cards, medicines, and more.

Store all makeup essentials in a separate pouch. Ensure you are not overstuffing the makeup pouch.

Store the laptop and charger together in the dedicated laptop sleeve.

Place your sanitary essentials in the internal pockets.

Keep the stationery-related stuff like a pen, pencil, and small notebook in a separate pouch for easy access.
