## Ideas With — Shark Toys —

Use them at the beach for enhanced pretend play.

Let the child use them in the bathtub to make bath time entertaining.

Use them in the pool to make pool day more adventurous.

Use them as a cake topper if your child loves sharks, but ensure they don't eat them.

Use shark toys as an educational tool to inform children about marine life in a fun way.

Let the child use plush shark toys as a cuddling buddy during naps.
