

Signs You Have Found Your Platonic Soulmate

Motivation

They encourage you to do your best and bring the best out of you.

Loyalty

They do not back-bite you and take your side against everyone else.

Honesty

They keep no secrets from you and do not share your secrets with others.

Excitement

They feel happy about your success and share your excitement even over minor achievements.

Support

They support you even if the whole world is against you. They are your pillar of strength.

Availability

They are by your side whenever you need them. They do not let you down.
