

Dos And Don'ts Of Using A *Baby Lounger*

Dos

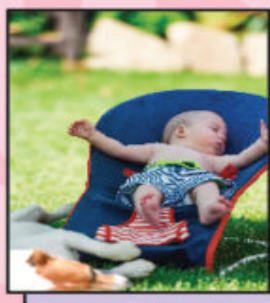

Do place them only on a floor or carpet.

Do supervise your infant when placed in a lounger.

Do opt for a lounger per CPSC standards.

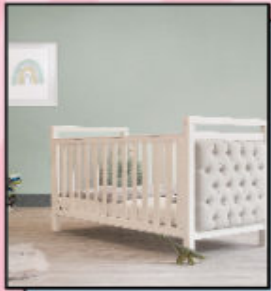

Do use the lounger to relax your infant.

Don'ts

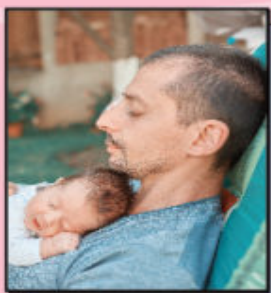

Don't place the lounger inside a crib or bassinet.

Don't place your baby in a lounger if they roll or turn over frequently.

Don't use them as bed-sharing devices.

Don't use them for overnight sleeping.
