

Hide the wishes inside her cupboard or closet.

Get them delivered to her along with flowers and a cake.

Write these messages on sticky notes and attach them to the things she uses daily.

Attach the birthday card to a bunch of balloons and put it on her room's doorknob.

Video record the message and play it for her after the celebration.

Make a video compilation of her doing fun and goofy things, attach your birthday message, and send it to her via email.
