

Color-related Creative Activities For Preschoolers

Sort The Buttons

Give your child a box of buttons and tell them to sort the buttons as per their colors and shapes.

Color Changes

Use this interesting activity to teach children how color changes when you mix them with other colors in water.

Spray Paint Color

Monitor your child when they use spray paint to fill color in their drawings

Colorful Play Dough

Encourage your child to play and make shapes using the colorful play doughs.

Fun With Egg Cartons

Give your child an empty egg carton and paint colors, and have them color the carton as they like.

Rainbow Collage

Give your child a colorful pile of pom-poms and help to sort them according to their colors and make a rainbow collage from them.
