

# Easy-To-Make

## Paper Animal Crafts

### For Children

#### Duck

Create a duck face on a white paper plate using colorful paper cutouts for facial features and drawing the details.

#### Elephant

Paint a white paper plate with black/gray/purple color and add paper cutouts to create the elephant's trunk and ears.

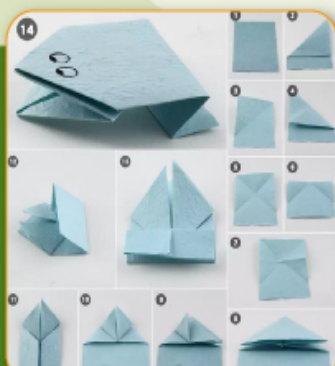

#### Cat

Fold the paper as instructed to make a cute cat design and give it a finish by drawing the cat's facial features.

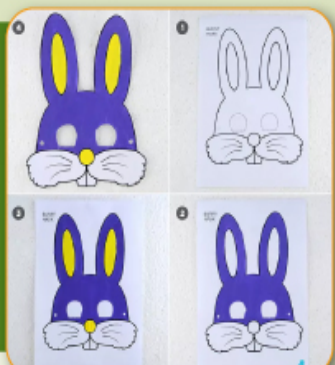

#### Jumping Frog

Fold the paper into a frog and have fun by making these paper frogs jump and leap.

#### Bunny

Draw a big bunny face on a large sheet of paper, cut the eyes, and attach a string to make a bunny face mask.

#### Lion

Make an interesting foldable lion template looking like a 3D print.
