

# Fun Language ACTIVITIES For Toddlers

## Telephone Play

Try this fun language activity to boost your little one's conversation skills with cool and funky toy phones.

## Puppet Game

Make your child's playtime more enjoyable with a puppet show that will enhance their creativity and imagination.

## Singing Together

Combine fun and learning by singing rhymes and songs to improve your toddler's language skills.

## Reading Fun

It is an excellent activity to improve your child's listening and reading skills. You can also show pictures and ask them to identify them.

## Complete The Sentence

Allowing your child to frame their sentences while playing can boost their confidence.

## Places And Things

You can help expand your child's vocabulary by naming objects in your surroundings.

## ABC Matching Game For Phonetic Learning

You may help your child develop phonetic reading skills by associating the letters with objects.

## Join-The-Dots

This fun activity will enhance your child's motor skills and writing abilities.
