

MOVIES WHERE LUCK PLAYS

A KEY ROLE

SEVEN YEARS BAD LUCK (1921)

This American comedy revolves around a superstitious man who, in his endeavor to avoid bad luck, brings upon himself the worst luck possible.

IF I HAD A MILLION (1932)

This anthology film is about a dying industrial tycoon giving a million dollars each to eight random strangers by picking their names from a telephone directory.

29TH STREET (1991)

This American comedy-drama depicts what happens to a lucky man born to an unlucky father after buying a lottery ticket at the NYC lottery and winning it.

THE GIRL ON THE BRIDGE (1999)

This French drama shows how a fortunate stroke of serendipity helps two strangers enter into a relationship after they chance upon each other at a bridge.

THE COOLER (2003)

This romantic drama follows a casino 'cooler,' a man with professional bad luck, in Las Vegas whose presence at gambling tables stops people from winning.
