

MOVIES

that honor

Father-Child Relationships

Fatherhood (2021)

An American comedy-drama film where Kevin Hart plays a widower who brings up his daughter as a single parent. The movie narrates the joys and challenges of his parenting journey.

Father of the Bride (1991)

This American comedy is a remake of the 1950 film of the same name. Here, Steve Martin plays the dad who does not want to accept that his daughter is grown up and ready to marry.

Mrs. Doubtfire (1993)

This American comedy-drama film features Robin Williams as a father who, after a bitter divorce, disguises as a female housekeeper to continue meeting his children who live with his ex-wife.

The Kid (1921)

An award-winning silent comedy where Charlie Chaplin plays the father who raises an abandoned boy like his own child but some unpleasant events lead to disquiet in their lives.

Big Daddy (1999)

An American comedy where Adam Sandler ends up becoming a foster father to a five-year-old boy when he adopts him to impress his girlfriend.

Cheaper by the Dozen (2003)

This American family comedy has Steve Martin playing the dad of 12 children and shows him juggling between his new job and a large family.
