

# HILARIOUS NEVER-HAVE-I-EVER QUESTIONS FOR CHILDREN

Never have I ever had a  
make-believe friend.

Never have I ever  
pulled my sister's or  
brother's hair.

Never have I ever made  
silly faces while  
eating broccoli.

Never have I ever hidden  
my bad grades from  
my parents.

Never have I ever  
had a fistfight with  
my cousin.

Never have I ever  
chased butterflies.

Never have I ever screamed  
while watching a  
horror movie.
