

Staying Safe During Outdoor Play

Points to teach Children about Safety

Never wander off alone

Look after your friends.

Seek shelter during rains, but not under a tree.

Wear proper footwear.

Don't eat anything found outside.

Carry the right sports equipment, bug spray, water bottle, and a first aid kit.

Avoid talking to strangers.

Tips for Parents/Guardians

Teach children first-aid.

Report any safety issues in the neighbourhood to the officials concerned.

Patrol the neighbouring streets frequently.

Dress your children as per the season.

Teach them self-Defense tricks.

Give them a bottle of water and some energy bars.
