

# Reasons Why Scorpio-Libra Relationship Might Work And Might Not Work

## Reasons It Might Work

Both the signs have enigmatic personalities, which makes them an intimate couple.

They are capable of fulfilling each other's needs, both emotionally and physically.

They have the ability to come together and discuss aspects while making an important decision.

## Reasons It Might Not Work

There might be a struggle for power and control.

Scorpios tend to become possessive about Libras, which might not always sit well with the latter.

Libra's indecisiveness might put forth a problem in front of Scorpio's promptness.
