

Safety Tips For Using A **FOUR-BURNER** Gas Grill

Read, understand, and follow the user's instructions given in the manual.

Do not use outdoor grills in enclosed or semi-open areas like garages.

Refrain from using the gas grill on open vehicles or boats for picnics.

Avoid using the grill on extremely windy days.

Keep children and pets away from the grill while in use.

Refrain from smoking when using the grill.

Check all the connections for gas leaks.

Avoid storing spare gas cylinders under or near the grill.

Adhere to the weight limit for the side burners when using large pots.

Open the grill lid cautiously to avoid scalding from steam.
