

# Tips For Assembling

## And Using

### A Nursery Rocking Chair

Read the manufacturer's instructions before assembling the chair.

Keep toddlers away during the assembly to prevent choking hazards.

Always adhere to the manufacturer's weight limit recommendations.

Never leave a toddler unsupervised on a nursery rocking chair.

Keep the gliding mechanism locked (if applicable) when not in use.

Regularly vacuum-clean the fabric components to keep them dust-free.

Never clean the chair with alcohol- and bleach-based cleaners.

Check the tightness of the bolts once every fortnight to prevent falls and injury.
