

The **DOs** & **DON'Ts** of text flirting

Dos

1

Keep things brief and save the long conversations for when you are together

2

Give them the chance to initiate things

3

Make sure that you respond at the right time, neither too soon nor too late

4

Keep your texts clear and witty

Don'ts

1

Do not send multiple texts at the same time

2

Avoid asking sensitive & uncomfortable questions

3

Refrain from oversharing personal info

4

Never text when you're drunk!
