

Quotes About *Money And Relationships*

“Love your family more than your job, career, and money. These things cannot love you back.”

“A true person never gets impressed by money as he knows his love is priceless.”

“You are not wealthy enough until you have something that money cannot buy.”

“You are lucky if you have found real love. You are already rich.”

“Money is not needed for a rich life. You only need to have a loving family and good friends by your side.”

“Choosing money over love will always make you poor.”
