

HARMLESS PRANKS

To Play On Your Children

APRIL FOOL PRANK

Make chocolate chip cookies on April Fool's Day with potatoes and canned black beans, and serve them to your children.

BUBBLE WRAP PRANK

Children love bursting bubbles. So slide the bubble wrap inside your child's rug and wait for them to step on it.

MAKE PRANK BROWNIES

Tell your children you have baked brownies. Take a brown paper and cut many pieces of the letter E. Cover up the baking tray with silver foil. Let them open and see that you made them 'brown Es.'

SLEEP PAINTING

When your kid is asleep, take a temporary marker and draw a mustache on their face. Wait until they wake up in the morning to wash their face.
