

Ways To Prevent Yeast Diaper Rash In Babies

Use breathable
diapers of good
quality

Change the
diaper regularly

Avoid tying the
diaper too tightly

Give diaper-free
time to the baby

Wash your hands
with soap and water
before and after the
diaper change

Clean the baby's
groins and buttocks
with warm water
when changing
a diaper

Use soft
washcloths rather
than chemical
wipes to clean
the baby

Avoid using the
same towel if the
baby has a
fungal infection
in other areas
