

# What Dating A Shy Guy May Look Like?

## The Pros

He does not try to dominate in the relationship.

He listens to you without interrupting.

His compliments and gestures are always genuine.

You don't have to worry about him flirting as he doesn't brag and isn't hungry for attention.

## The Cons

It can take a lot of time for him to open up and have romantic conversations.

His shy nature may sometimes come off as awkward within friend groups.

You may have to put more effort to keep the conversation going.

He may not be very adept at reading signs of romance or intimacy.
