

# Things To Ask Your Ex Before Moving On

## Questions to get back

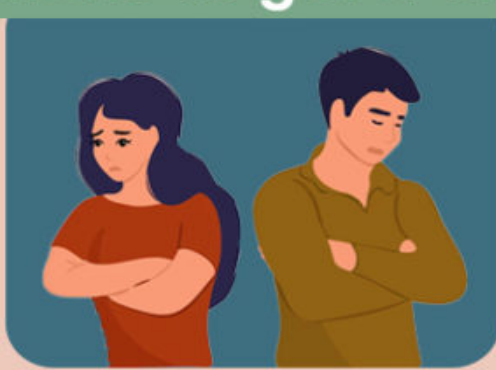

Do you regret that the relationship didn't work?

Do you miss me and the relationship?

What do you wish I should have done differently?

Are you willing to walk the extra mile to resolve our past problems?

## Questions to get a closure

I often wonder if you had your reasons to part away. Is that right?

When did you realize we were done with the relationship?

Is there anything you haven't said before and would like to tell me now?

Do you wish to stay connected as friends?
