

Quotes On Being Envious In A Relationship

“

“The ugliest trait everyone should avoid is jealousy.”

”

“

“Jealousy is not good for your health. It is a silent killer, an untreatable disease.”

”

“

“When you focus on love, you come to a point in your relationship from a positive perspective that opens up better things. When you become jealous, it can consume you, narrowing your perspective.”

”

“

“Jealousy is, I think, the worst of all faults because it makes a victim of both parties.”

”

“

“Love shouldn't be about jealousy or anything close to that. It should be about commitment, respect, and trust.”

”
