

Ways To Resolve Boredom In a RELATIONSHIP

Reasons For Boredom

There is nothing common between you and your partner.

Your relationship lacks love and romance.

Your partner feels neglected and taken for granted.

You feel disinterested in sex.

You feel your partner is emotionally unavailable.

You and your partner never indulge in a healthy debate.

Simple Solution

Join a hobby class together.

Go for dates or short-budget trips to spend quality time together.

Surprise them with thank you notes or messages each time they do something for you.

Ask about your partner's fantasies and try out new tricks in bed.

Initiate conversations regarding daily activities and funny instances. Over time, tap into deeper topics.

Start talking about interesting general topics and ask for their opinion on them.
