

Reasons And Impact Of

Teenage Abortion

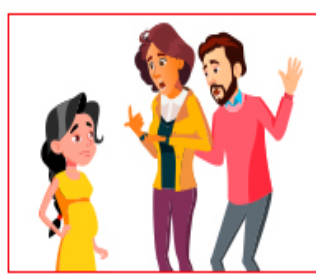

On Teens

Reasons why teens may abort their pregnancy

They may not be able to continue their education simultaneously.

Their family may not support them, or they fear disclosing the news.

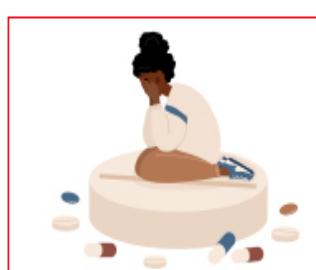

Social pressure, fear of being shamed and bullied, and financial and health issues.

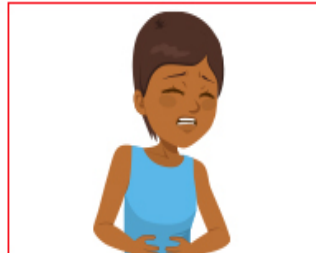

Effects on the teen

Lack of adequate counseling and too much societal and family pressure may push them into depression and substance abuse.

Abortion at an early age may increase the risk of infections, uterus or cervix injury, or hemorrhage.

If they drop out of school or college, it may later impact their career opportunities.
