

# Safety Tips While Using *A Doll Stroller*

Opt for a lightweight stroller for easy maneuverability.

Ensure there are no sharp or jagged parts.

Ensure the stroller is burr-free if it's wooden.

Never leave a toddler unattended with the stroller.

Never let the toddler sit on the stroller.

Never let the child play with the stroller near and on the stairs.

Be mindful of what the child puts into the stroller.

Make sure the joints lock properly in case it is foldable.
