Origami Crafts

For Children

Origami Boat

Help your children make a paper boat that floats and have fun.

Origami Hat

Let your children unleash their creativity by creating a fashionable and colorful hat by folding a piece of paper.

Origami Fortune Teller

Make an origami fortune teller full of surprise statements on every side you look at.

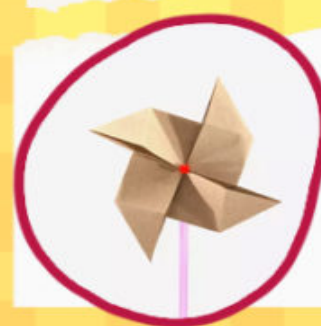

Origami Fan

Let your children get creative this summer by folding paper into a fan to beat the heat.

Origami Airplane

Make a beautiful design of an airplane by folding a piece of paper that could actually soar through the air and fly high.

Origami Pinwheel

Create a perfect spinning pinwheel by folding origami, perfect for carrying when your child runs in the field during outdoor play.

Origami Star

Help your children decorate their room and space by folding mesmerizing origami stars.

Origami Shirt

Children can make mini origami shirts for their project and display them to decorate their rooms.
