

# Amazing And Simple Bird Crafts For Children

## Paper plate bird

Make a cute little bird using a colorful paper plate and stick eyes, wings, beaks, and legs to complete the bird craft.

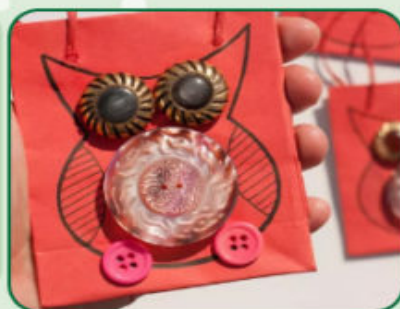

## Easter turkey

Cut out a turkey design on brown paper and stick some colorful leaf-shaped paper cutouts to create its wings.

## Button owl

Create this simple craft by sticking buttons as features to complete a drawing of an owl's silhouette on paper.

## Felt penguin

Make a felt penguin using black and white felt paper, and finish the craft by drawing or sticking googly eyes, beak, and legs.

## CD Bird

Transform an old CD into a beautiful bird by gluing some details of birds' features made from construction paper.

## Paper roll bird

Try this super easy yet creative bird craft by rolling a colorful paper and adding eyes, beak, legs, and wings cutouts.

## Stone birds

Take some plain stones of different shapes and sizes, and draw and color eyes and beaks to give a bird-like look.

## Pom-pom birds

Stick pom-poms to paper to create the bird's body and complete the crafts by drawing eyes, beaks, and feet with a marker.
