And Craft Ideas For

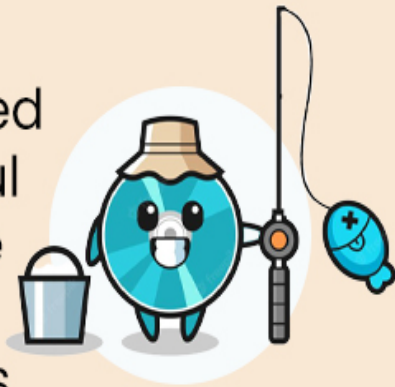

Teenagers

CD Fish

Turn old and unused CDs into a beautiful fish by coloring the CD and sticking paper fins and tails to it.

Woolen Heart

Take cardboard and cut it into a heart shape. Now take a ball of red yarn and start wrapping it around the cardboard until it is completely covered.

DIY friendship bracelets

Make your own friendship bracelets using a strong thread and some colorful pony beads.

Enamel Spoons

Personalize your spoons by coloring and designing their ends with your favorite nail enamel paints.

Cutting Board Decorations

Take the plain cutting board and glue in it the flower prints that you may cut from floral paper napkins. Let it dry and it's done!
