

Heartfelt Stepmom

Quotes To Show

Your Love

"Behind many great children is a stepparent who stepped in, took responsibility, and cared."

"Only one whose heart is full of love can choose to love someone else's child as their own."

"We might not share our physical features, but we do share our hearts."

"God cannot be present to mend every broken family, hence he created stepmom."

"Stepmothers are fairy godmothers personified."
