

Romantic Quotes

To Make Your Lover's Day

“

People say there's no other world. But I see my new world in your eyes.

”

“

You are the reason behind my happiness. My dear, you mean the world to me and all other planets, even you mean the Sun and the Universe to me.

”

“

You are the source of my happiness, the center of my world and the beat of my heart. You are my world, my love.

”

“

Day I saw you, I realized that true love exists. I so much wanted to tell you this feeling and today with courage I say you mean the world to me.

”

“

Call me crazy, but I hardly enjoy the pleasures of this world. My greatest pleasure is to always be next to you. Darling you mean the world to me.

”

“

I didn't know true love existed until I met you. You make my life happy, because you're everything to me in this big world.

”
