

Points To Remember When Choosing Xbox 360 Games For Children

Look for games with content appropriate to the child's age.

Opt for a game with a superhero or theme the child is interested in.

Look for games with educational and moral benefits.

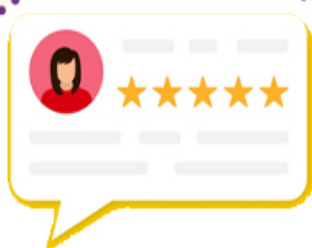

Choose games with vibrant visuals and music for enhanced fun.

LEVEL UP!
★★★★★

Get a game with multiple difficulty levels to grow with the child.

Prefer multiplayer games if playing with friends or siblings.

Refer to game reviews by parents and similar-aged children.

NO

VIDEO GAME VIOLENCE

Avoid getting games that are too violent or have inappropriate language.
