

# Points To Consider When Playing With Stacking Toys

Assemble the stacking toys on a flat surface to avoid tipping.

Stack it according to the colors to enhance the fun.

Play some music or use a timer to make it a competition.

Mix different stacking toy sets to raise the difficulty quotient.

Turn it into a competition of who can assemble it faster.

Stack them with care to keep the fingers from getting pinched.

Avoid pushing the assembled toys to keep them from breaking.
