

DOS AND DON'TS While Prank Calling YOUR BUDDY

Dos

Consider using web messengers to keep your number private.

Plan your story and the characters so they don't catch you off guard.

Keep the calls limited to your close friends who may understand your humor.

Don'ts

Don't get carried away and harass the person by repeatedly calling or continuing the call when they are irritated.

Don't record the conversation as it may be offensive to them or even illegal.

Don't pick topics that are serious or may touch their raw nerve.
